MR. MABINI JUAN

President and Chief Executive Officer
Manila Bankers Life Insurance Corporation
Manila Bank Building 6772 Ayala Avenue
Makati City

Dear **Mr. Juan**:

On behalf of the Board of Trustees and the management and staff of PBSP, kindly accept my warmest gratitude for your generous donation last fiscal year and for your continued support to your foundation, Philippine Business for Social Progress (PBSP)!

In the past four years, we have enhanced our strategy by investing your unrestricted contributions towards establishing platforms for collective engagements (PlaCEs). Our PlaCEs on health, education, environment and livelihood are undertaken holistically to bring systemic solutions to complex societal problems. These PlaCEs pursue partnerships among multiple stakeholders bound together by a common agenda, shared metrics, and mutually reinforcing interventions.

Together, we have been able to build PlaCEs that continuously achieve the following goals:

- Detect and treat tuberculosis patients
- Bring and keep children in school to receive quality education
- Rebuild the lives of Yolanda survivors by providing basic needs on health, education, shelter, and livelihood through our Project New Dawn
- Help develop disaster resilient communities
- Improve income through job creation and livelihood development
- Shape the inclusive business advocacy in support of the country's inclusive growth

In financial terms, each unrestricted peso you gave last year enabled PBSP to raise Php75 more from international aid donors and other restricted project funding.

This year, we would like to expand our PlaCEs to accomplish the following objectives:

- Increase access to maternal, neonatal and child health care and nutrition
- Provide safe drinking water to communities
- Spearhead the private sector agenda for sustainable water

For your foundation to further scale up the work and do more for our countrymen, WE NEED YOU to increase your unrestricted contribution to a Collective Action Fund (CAF). This fund is your annual commitment to participate in our PlaCEs. We're renaming membership contributions to CAF.

You may contact our Corporate Affairs Manager Jay Jaboneta and Officer Susan Francisco at 527-3740-42 for any inquiries.

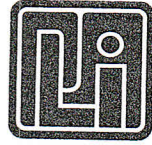

We thank you for believing in this cause. Trust that we will tirelessly work to make the most out of your social investments. We can do no less for the confidence you have given us. Moreover, we also know that our best is what our people deserve.

Yours sincerely,

MANUEL V PANGILINAN

TO WHOM IT MAY CONCERN,

This serves as certification that the Manila Bankers Life Insurance Corporation (MB Life), a member-company of the Philippine Life Insurance Association, Inc. (PLIA), has been actively participating in PLIA's Corporate Social Responsibility activities

Every year, MB Life has been donating cash and grocery packs to the dwellers of the Philippine Life Insurance Village, a housing program undertaken by PLIA through Gawad Kalinga involving 35 dwelling units and located at Sitio Maislap, Brgy. San Jose, Rodriguez, Rizal.

There were also times in the past that MB Life had sent employees to join the PLIA Secretariat in undertaking field outreach events at the said village.

This certification is issued for whatever legal purpose it may serve MB Life.

Very truly yours,
